Counsel,

In its petition for rehearing (on page 10) SoundExchange offered to promptly provide the Judges with a chart regarding adopted changes to the regulations. The Judges hereby request that SoundExchange email such a chart to them at [crb@loc.gov](mailto:crb@loc.gov) by the close of business tomorrow, January 12.

In addition to the chart, SoundExchange may also submit a supplemental brief of five pages or less and limited to an explanation of its arguments relating to the chart.

Oppositions to the chart, if any, are due no later than January 19, and are limited to five pages in length. No replies are permitted.
