Dear CRB,

Please find attached a Motion for Extension of Time on Written Direct Statement to October 9, 2014 or October 10, 2014. To say the least as a non-lawyer I'm overwhelmed with footnotes, proper legal form, organizing and copying the volume of material. I apologize for even asking and the last thing I want to do is throw the case schedule off. I understand if this extension is not possible and I sincerely appreciate your consideration. 5 copies and a CD will be delivered by regular mail and I am working on my response to the Interim Protective Order.

Respectfully submitted,

George
