Re: Protective Order in Docket No. 17-CRB-0001 BER (2019-2023)

To the Copyright Royalty Judges,

I write on behalf of the participants in the above-captioned proceeding regarding the Joint Motion To Adopt Protective Order jointly submitted by the parties on December 27, 2017.

The participants are preparing to exchange documents as part of the Preliminary Disclosure and Discovery Period set out by Your Honors in the Case Scheduling Order. However, because those documents contain highly confidential information, the parties have refrained to date from exchanging them pending entry of the proposed Protective Order.

In order that the participants can complete their discovery obligations and prepare for subsequent phases of the proceeding, we respectfully request that the Judges enter the proposed Protective Order. As noted in the Motion, the proposed order is materially identical to the Protective Order already approved by Your Honors in the recent *SDARS III* proceeding, and its contents are uncontested.

Thank you for your consideration of this matter.

Sincerely,

/s/ Todd Larson
