Re: In re Determination of Royalty Rates and Terms for Transmission of Sound Recordings by Satellite Radio and “Preexisting” Subscription Services (SDARS III), Dkt. No. 16 CRB-001-SR/PSSR (2018-2022)

To the United States Copyright Royalty Judges:

I write on behalf of SoundExchange, the Services, and George Johnson. Pursuant to the Court’s request, the Participants have prepared and filed final electronic versions of exhibits admitted during the hearing. The Participants have also prepared and filed final electronic versions of exhibits that were offered during the hearing and the admission of which was reserved by the Judges, pending letter briefing submitted on May 24, 2017.¹ A file-stamped copy of this notice, submitted along with a drive containing the electronic exhibits,² is attached as Exhibit A to this letter.

Respectfully submitted,

/s/ David A. Handzo

¹ These include trial exhibits 263.7, 335.1, 335.2, 336, 337, 340, 341, 342, 343, 344.1, 344.2, 344.3, 345, 367, 368, 369.

² Because the electronic versions of the final trial exhibits are voluminous, and contain a significant number of native files, filing the exhibits through the eCRB platform would be impractical and the Participants instead provide an electronic copy of each final trial exhibit on the filed drive.
