

November 10, 1994

Dear Ms. Boldt:

The claim you sent the Copyright Office on behalf of WTXL-TV for 1993 cable royalties was filed after the filing period. As a result, your claim for 1993 cable royalties is rejected. This rejection is without prejudice to your filing for cable royalties next year.

Your claim was received by the Copyright Office on August 3, 1994. The envelope containing your claim indicates a business meter dated July 29, 1994. Business meter dates are not evidence of when the claim was mailed because a business can put down any date it wants. 37 C.F.R. 252.4(c).

17 U.S.C. §111 states that claims for cable royalties shall be filed during the month of July. By regulation, the Copyright Office has established that you may meet this statutory deadline if: (1) the claim is received by the Copyright Office during the month of July, or (2) the claim is mailed with the U.S. Postal Service during the month of July and bears a July U.S. postmark. 37 C.F.R. 252.4(a). Because this year July 31 fell on a Sunday, the Copyright Office, in compliance with 17 U.S.C. §703, allowed claims to be filed or mailed on August 1.

In the future, you can assure yourself that the claim will be accepted as timely if you get a July U.S. postmark at the post office. Enclosed, you will find a photocopy of the claim envelope as received by the Copyright Office.

Sincerely,

Marilyn J. Kretsinger
Acting General Counsel
