SOUNDEXCHANGE NOTICE REGARDING DISCOVERY

SoundExchange, Inc. ("SoundExchange") hereby notifies the Copyright Office that it received Supplemental Discovery Responses from Royalty Logic, Inc. ("RLI") on November 18, 2003, and a supplemental document production from RLI on November 19, 2003. These discovery responses and documents were provided after the dates provided for the exchange of discovery in the Office's Order of September 24, 2003, and after the deadline for filing motions related to discovery issues. SoundExchange hopes that it will be able to address potential additional issues related to this additional discovery in the course of the discovery pleading cycle that is already in progress. However, SoundExchange reserves its right to file additional motions or other pleadings related to the late discovery responses and document production of RLI.

Respectfully submitted,
