[Docket No. 19–CRB–0006–NSR (2021–2025) (NSS IV)]

Digital Performance Right in Sound Recordings and Ephemeral Recordings

AGENCY: Copyright Royalty Board, Library of Congress.

ACTION: Final rule.

SUMMARY: The Copyright Royalty Judges publish a final rule governing the rates and terms for the digital performances of sound recordings by new subscription services and for the making of ephemeral recordings necessary to facilitate those transmissions for the period commencing January 1, 2021, and ending on December 31, 2025.

DATES: *Effective date:* January 1, 2021.

ADDRESSES: *Docket:* For access to the docket to read submitted background documents or comments, go to eCRB, the Copyright Royalty Board’s electronic filing and case management system, at <https://app.crb.gov/> and search for docket number 19–CRB–0006–NSR (2021–2025).

FOR FURTHER INFORMATION CONTACT: Anita Blaine, Program Specialist, by telephone at (202) 707–0078 or email at crb@loc.gov.

SUPPLEMENTARY INFORMATION:**Background**

On November 8, 2019, the Copyright Royalty Judges published a proposed rule governing the rates and terms for the digital performances of sound recordings by new subscription services that provide transmissions to residential subscribers as part of a cable or satellite

television bundle and for the making of ephemeral recordings necessary to facilitate those transmissions for the period commencing January 1, 2021, and ending on December 31, 2025. 84 FR 60356. The rates and terms in the proposed rule were the subject of a settlement between SoundExchange, Inc., and Sirius XM Inc. Joint Motion to Adopt Settlement, Docket No. 19–CRB–0006–NSR (2021–2025) (“NSS IV”). The Judges received no comments on the proposed rule.

The Judges “may decline to adopt the agreement as a basis for statutory terms and rates for participants that are not parties to the agreement,” only “if any participant [in the proceeding] objects to the agreement and the [Judges] conclude, based on the record before them if one exists, that the agreement does not provide a reasonable basis for setting statutory terms or rates.” 17 U.S.C. 801(b)(7)(A)(ii). Because no NSS IV participant has objected to the settlement, and the Judges find no basis in the record to conclude that the settlement does not provide a reasonable basis for setting statutory terms and rates, the Judges adopt the terms and rates as proposed.
