DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. Public Comment: Your participation during the public comment period provides an opportunity for us to hear from you—individuals, businesses, providers, educators, parents and advocates. Your comments are important in bringing to the Council's attention and issues and priorities of the disability community.

For the July 12 Council meeting, NCD will have an extended public comment period of one hour and requests comments from the public regarding experiences with healthcare barriers and bias for people with disabilities. Additional information on specifics of the topic is available on NCD's public comment page at <https://ncd.gov/public-comment>.

The Council will prioritize in-person commenters, but as time permits, will also receive public comment by video or audio over Zoom, and always accepts advance public comments via email. Due to the hybrid nature of the event, in-person presentations will be given priority.
