Docket No. 15-CRB-0010-CA-S
(Sports Rule Proceeding)

ORDER GRANTING MOTION TO ACCEPT
LATE PETITION TO PARTICIPATE

Before the Judges is the *Motion to Accept Late Petition to Participate* (Motion) filed by Major League Soccer, L.L.C.'s (MLS). No participant responded to the motion.

Upon consideration of the arguments presented by MLS and the record, the Judges find that 1) MLS has shown that substantial good cause exists for the Judges to accept its petition to participate and 2) no prejudice to the participants that have already filed petitions will result from the late filing.

The Judges **GRANT** the Motion. MLS is permitted to participate fully in the above-captioned proceeding.

SO ORDERED.
