Affidavit on Behalf  
of Character Claimants

State of New York )  
 ) SS.:  
County of New York )

James Galton, being duly sworn, deposes and says:

1. I am the President of Marvel Comics Group, A Division of Cadence Industries Corporation, one of the character claimants in this proceeding. I am fully familiar with claimant's business and operations, including the matters relating to the subject of this cable royalty distribution proceeding.

2. Marvel Comics Group, A Division of Cadence Industries Corporation is, and throughout 1978 was, the owner of copyright in certain pictorial, graphic and sculptural works, namely, well-known, distinctive and popular visual characters, including, among others, each of the following:

- (a) SPIDER-MAN;
- (b) THE MIGHTY THOR;
- (c) SUB-MARINER;
- (d) IRON MAN;
- (e) THE INCREDIBLE HULK, and
- (f) CAPTAIN AMERICA.

3. The copyrighted works, i.e., the copyrighted characters described in Paragraph 2, were included in the following non-network or syndicated television programs or series broadcast during 1978:

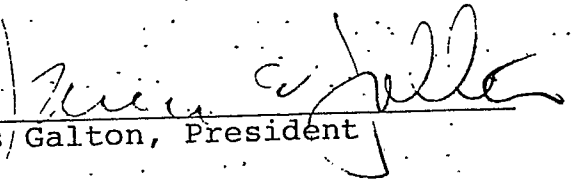

- (a) "SPIDER-MAN", featuring, SPIDER-MAN;
- (b) "MARVEL SUPER HEROES", featuring THE MIGHTY THOR, SUB-MARINER and IRON MAN, and
- (c) "THE ELECTRIC COMPANY", featuring SPIDER-MAN.

4. Of the programs listed above, "SPIDER-MAN" was included in the Arbitron Television Syndicated Program Analysis Audience Estimates of November, 1978, and there are attached hereto copies of the reports of the Arbitron Analysis showing the markets and broadcast stations on which such program was syndicated in 1978.

5. To the best of my knowledge and belief, each of the foregoing copyrighted works or characters was likewise included in distant non-network retransmissions made by cable systems during 1978. For example, the character SPIDER-MAN was included in retransmission of "SPIDER-MAN" by Warner Cable of Kern by Station KTTV.

6. Visual representations of our characters are annexed to this affidavit. Our copyrighted characters were included without transformation in appearance or identity in the television programs identified above. Thus, each character continued to retain its independent existence, its immediately recognizable identity and

its distinctive appeal apart from and, indeed, paramount to the particular stories, settings or other programming material in which the character was included.
