Dear Chairman Burg:

In the process of preparing the call letter listing in Appendix A to the "NAB Statement in Response to Paragraph 4 of the Tribunal's Order of May 7, 1980," several typographical errors occurred. We have corrected the errors in the call letters and have enclosed herewith a corrected Appendix A.

We apologize for any inconvenience to the Tribunal. These errors are purely typographical and the corrections result in no change in the listed percentages.

Very truly yours
