Dear Mr. Woodruff:

This letter is written in response to a request of Nancy Bradley for certain information regarding CRT Docket No. 79-1. Your attention is directed to 17 U.S.C. Section 111 as to the applicable law pertaining to the payment of fees by cable operators for secondary transmission. The rate and procedure for the deposit of those fees with the Copyright Office (a division of the Library of Congress) are clearly enunciated in the statute. The statute also provides that the Copyright Office shall prescribe rules and regulations upon which said fees shall be paid by cable operators. Copies of those rules and regulations may be obtained directly from the Copyright Office.

For your information we are enclosing a copy of the opinion rendered by the Tribunal regarding distributions.

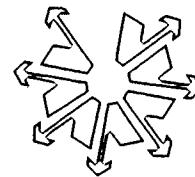

Yours truly,
