JAMES J. POPHAM
DEPUTY GENERAL COUNSEL

September 8, 1980

Honorable Mary Lou Burg
Chairman
Copyright Royalty Tribunal
1111 20th Street, N.W.
Washington, D.C. 20036

Dear Chairman Burg:

I am writing to advise you of the specific allocation of commercial broadcast television royalties agreed to by the National Association of Broadcasters, the Canadian Broadcasting Corporation, (CBC) and Superstation, Inc. According to our calculations based on the Tribunal's Order of July 25, 1980, the commercial television broadcast share is 3.25 percent of the \$14,644,871.44 available for distribution or \$475,958.32. Under the terms of our agreement, these funds should be allocated as follows:

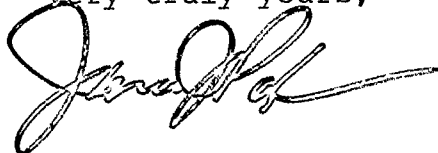

| | |
|--|--------------|
| CBC | \$49,907.50 |
| Superstation, Inc. (WTBS) | \$15,876.80 |
| Other U.S. and Canadian Commercial broadcasters | \$410,174.02 |

Among the U.S. Commercial broadcasters, NAB is the designated agent of the stations listed in attachment 1. The total amount of royalties to be paid to NAB as their agent is \$352,965.37. Attachment 2 lists the remaining claimant stations and their respective royalty shares. Should there be any change in the status of these stations prior to distribution of the royalties, we will promptly advise the Tribunal.

Lastly, it is NAB's understanding with WTBS, Inc., that in the event the Tribunal's final decision is vacated by a reviewing court, the present agreement shall no longer be effective.

If you have any questions, please, do not hesitate to contact me.

Very truly yours,

cc: Commissioner Garcia
Peter Feinberg, Esq.
Don M. Lytle
