Hon. Mary Lou Burg  
Chairman  
Copyright Royalty Tribunal  
1111 20th Street NW  
Washington, D.C. 20036

Dear Madam Chairman:

In 45 FR 50621, the Copyright Royalty Tribunal directs claimants who wish to present testimony during Phase II of the current cable royalty distribution proceeding to so inform the Tribunal by August 13, advising it of the names of proposed witnesses.

The Canadian Broadcasting Corporation will offer the following witnesses:

Mr. Ronald Devion  
Mr. Michael Morgan  
Mr. Michael Ginies  
Mr. Mervyn Stone  
Mr. Roger Wagner

Arranging for Canadian witnesses to attend hearings of the Tribunal in Washington is difficult, and CBC will separately ask the Tribunal's indulgence in scheduling the appearance of CBC's witnesses so that they will be of maximum value to the Tribunal and can make arrangements sufficiently in advance to ensure that travel and living accommodations are available.

The direct examination of CBC's witnesses will be conducted by CBC legal counsel, Peter Robinson, Esq..

Yours truly,

D.E. Lytle
