Judges:

Please confirm if the email below on behalf of George Clinton, is being accepted as an official objection/filing? Besides the email the official filing was never received.

Kim wants to cite the email in the FR, so just need to confirm if it is being accepted as an official filing before I place it on the docket?

Thanks

LaKeshia,

I am going to cite the email below in a Federal Register notice. I didn't see a copy of it on the network. Will you please make sure it appears as a filing in the docket? It's an objection to the motion for partial distribution. Thanks.
