Think not that I am come to send peace on earth: I came not to send peace, but the sword. Matthew 10:34 I was advised from Ms. Linda Bocchi that I filed a claimed with the incorrect office because their office only represent music, song writers, artists, etc not Business Plan writers. My claimed was filed through the DART office a part of the Royalty Board Office. My resources for assistance and income are limited so I am in the process of attempting to access an internet video. Thank Jesus for your cooperation in this matter. If you need further information my house number is (404)537-6808
