The Allocation Phase Parties believe that the Reply Comments fully address and resolve the objections raised by MGC and Mr. Powell, and hereby renew their request for the prompt partial distribution of 60% of the 2015 satellite royalty funds. It has now been more than a year and a half since the parties filed their Motion, and, as the parties stated in their initial request, partial distributions are very important to the budgeting and business operations of the parties and their members.

Sincerely,
