Docket No. 24-CRB-0005-CRA  
(2025-2029)

**REPLY REBUT MOTION TO JOINT OPPOSITION PETITION TO PARTICIPATE AND  
“SUPPLEMENTAL MOTION OF DAVID POWELL PETITION TO PARTICIPATE A  
CONTEMPORANEOUS OBJECTION REVERSIBLE & STRUCTURAL ERROR**

David Powell the individual owner reply rebut contemporaneous objection motion to Petition to Participate & supplemental motion Petition to Participate. Denied any and all joint opposition as frivolous sham pleading simulated facts w/o merit, baseless, and moot. It appears as an attempted discernable bias boycott legal prejudice to monopolize w/ other joint corporations opposition segregation & apartheid policy of a protect class. Giving the impression of engaged or engaging in unlawful discriminatory design purpose in concerted action w/ others similar situated corporation(s) inter alios et al legal prejudice shown.

David Powell Pro Se objection motion to disregard all joint opposition entire pleading as a scandalous matter sham pleading. Based on grounds scandalous matter assertion or allegation that is improper in sham pleading is disgraceful or defamatory and irrelevant to an action or defenses reckless disregard for direct, indirect, economic discrimination.

Thru equitable estoppel false language and conduct statements deception malicious accusation malicious acts of lawyers representing their PTP corporation(s) a **Crime Fraud Exception**. Complicity exclusion to blacklist David Powell PTP from this, future or any other fraud previous proceeding(s). Corp.'s et al rely on Civil-Right Interference Judges willful blindness Class-Based animus an essential element of a Civil Rights Conspiracy. Faux official misconduct exclusion Mr. Powell to execution of process collusion fautor partisan facilitation. If all PTP CORP'S et al attempted faint pleadings don't succeed to dismiss exclusion from this & from every proceedings David Powell.

Thus legal prejudice has been shown by David Powell the individual owner matter of the record. False statement by joint opposition saying Pro Se is representing PTP Circle God Network Inc. veracity impugn is now challenged and denied again assertion. In a attempt to dismissed David Powell PTP from current proceedings called into question is not representing or filing on behalf of a corporate entities probable cause material fact of 37 CFR § 303.2 is now moot.

The joint opposition has no offer proof to the contrary physical proof just another orchestrated scheme to discredit slander & defamation per se blackballed David Powell the individual. The joint opposition et al failure of proof defense has insufficient evidence to prove or support an establish finding. To include a failure of proof to produce evidence to a claim in this proceeding. A failure of record by joint opposition absence of proof to support their pleading. Entitled David Powell individual based on race & retaliation conduct to a Summary Judgment.

Judges willful blindness erroneously court order discontinuance previously & now anticipated in this Copyright proceedings to show cause by David Powell is baseless, w/o merit, & now moot. To dismiss David Powell in this, future, or other past proceedings, motion or sua sponte order to be countermand & be reinstated. Based on state action intrusion on a person esp. civil-rights by a government entity. To include nexus test by all joint opposition et al acts is now consider state action giving rise to liability for violating Mr. David Powell constitutional rights in this, future, and past proceeding(s) closely related to the Judges misuser complicity state action conduct inter alia pointed out in joint opposition pleading 2/7/25.

Affiant declarant David Powell, individual counter affidavit clearly clarify articulate any statement of significant interest and assertion of facts necessary to support a finding by the judges I have a significant interest in the royalty rates proceeding.
